

U.S. Occupational Safety and Health Review Commission 2024 Federal Employee Viewpoint Survey Results

The U.S. Occupational Safety and Health Review Commission (Review Commission) seeks feedback from employees every year through the Federal Employee Viewpoint Survey (FEVS). The FEVS measures how employees feel about their work environment, leadership, work/life balance, and other aspects of the agency. Accomplishing the mission of the agency depends on having the right people, doing the right work, with the right qualifications and skills, at the right time. The Review Commission's success depends on the talent and motivation of its workforce, which is enhanced by the agency's efforts to seek employees' feedback and respond to their needs and concerns.

1. **Interpretation of Results:** The 2024 FEVS provided employees with the opportunity to candidly share their perceptions of their work experiences, their agency, and their leaders. The views of the Review Commission's employees present leadership with a broad diversity of opinions on topics ranging from hiring and retention to organizational effectiveness. The results of the 2024 FEVS were reviewed and analyzed to determine patterns and themes which identify the Review Commission's strengths and challenges.

The FEVS included 90 items that measure employees' perceptions about how effectively the Review Commission manages its workforce, and a few questions to gauge employee telework participation. The survey questions were grouped into several topic areas including employee engagement, global satisfaction, performance confidence, and diversity, equity, inclusion, and accessibility.

There were 23 questions that received 100 percent positive responses. These questions include:

- Q7: I know how my work relates to the agency's goals.
- Q8: I can disclose a suspected violation of any law, rule, or regulation without fear of reprisal.
- Q9: I have enough information to do my job well.
- Q11: I am held accountable for the quality of work I produce.
- Q15: The people I work with cooperate to get the job done.
- Q20: Employees in my work unit meet the needs of our customers.
- Q21: Employees in my work unit contribute positively to my agency's performance.
- Q23: Employees in my work unit adapt to changing priorities.
- Q28: My work unit successfully manages disruptions to our work.
- Q48: Supervisors in my work unit support employee development.
- Q49: My supervisor supports my need to balance work and other life issues.

- Q50: My supervisor listens to what I have to say.
- Q51: My supervisor treats me with respect.
- Q52: I have trust and confidence in my supervisor.
- Q53: My supervisor holds me accountable for achieving results.
- Q54: Overall, how good a job do you feel is being done by your immediate supervisor?
- Q55: My supervisor provides me with constructive suggestions to improve my job performance.
- Q61: Overall, how good a job do you feel is being done by the manager directly above your immediate supervisor?
- Q74: My supervisor demonstrates a commitment to workforce diversity (e.g., recruitment, promotion opportunities, development).
- Q76: My supervisor provides opportunities fairly to all employees in my work unit (e.g., promotions, work assignments).
- Q87: The work I do gives me a sense of accomplishment.

The highest percent negative questions include the following:

- Q40: Information is openly shared in my organization. 16%
- Q68: How satisfied are you with the information you receive from management on what's going on in your organization? 21%
- Q71: Considering everything, how satisfied are you with your pay? 14%
- Q83: I can easily make a request of my organization to meet my accessibility needs. 13%

Overall, the results from the 2024 FEVS are favorable. In fact, 86 items were identified as strengths (65% positive or higher), and 0 items were identified as challenges (35% negative or higher). The results continue to show that our employees believe that they do important work and understand how their work supports the goals and mission of our agency. The Review Commission values its employees and recognizes the importance of providing a work environment that is safe, conducive to professional growth, and an overall great place to work. Insight garnered from the 2024 FEVS (e.g., communication with leadership and among different work units) provides an opportunity for the agency to identify potential challenges, which can lead to the implementation of appropriate corrective measures.

2. **How the survey was conducted:** The 2024 FEVS was conducted by the Office of Personnel Management (OPM). Survey invitations were distributed to Review Commission employees by individual electronic mail messages from OPM. The survey administration period began on May 20, 2024, and ended on July 5, 2024. The Review Commission's Executive Director informed employees about the survey invitation and encouraged them to participate. Survey results were collected by OPM and forwarded to the Executive Director for review and evaluation. Survey participation was voluntary, and all

responses are confidential and anonymous. When OPM delivered the survey results, no information was provided to tie responses to individual employees.

For more information about the survey visit: https://www.opm.gov/fevs/about/

Description of sample: OPM used a hybrid-sampling survey methodology. Consequently, all permanent Review Commission employees on-board on or before November 30, 2023, were invited to participate. Contractors were not eligible to participate in the FEVS.

Survey items and response choices: All survey items and response choices required by 5 CFR § 250.302 were included in the 2024 FEVS and are included in the Review Commission's survey results on pages 4-13 of this document.

3. **Number of employees surveyed, number responded, and representativeness:** The survey was distributed to 46 employees and 21 responded. The overall response rate was nearly 46 percent. The survey pool is representative of the agency population and includes permanent employees (supervisors, non-supervisors, managers, and executives).
